

## \*\*\* LKOC BEAUTIFICATION PROJECTS IN KAILUA \*\*\*

The Lani-Kailua Outdoor Circle (LKOC) has been beautifying our public spaces in Kailua for the past 75 years!

### EXAMPLES OF PROJECTS FUNDED WITH TOWN PARTY PROCEEDS

**1994 – present** ~ With proceeds from our first Town Party, LKOC designed and installed the landscaping at **Alala Point** overlooking Kailua Beach, from the boat ramp to the monument and in the upper and lower mauka parking lots. Since **1999**, we have provided the landscape maintenance for the multi-acre area. In **2019**, we performed a major landscape refurbishment of the upper mauka parking lot and installed a new lawn and perimeter hedging.

KAILUA INTERMEDIATE

**2002, 2004** ~ LKOC planted Royal Poincianas at **Kailua Intermediate School** and Monkeypods at Lanikai Elementary School (now Ka'ohao Charter School).

**2007** ~ In partnership with the City and County of Honolulu, LKOC spearheaded the planting of Shower and Narra trees in the median on **Mokapu Road** between Kalaheo Avenue and the Marine Corp Base Hawaii entrance.

MOKAPU ROAD

PALI PALMS

**2010 – present** ~ LKOC designed and installed the landscaping at the two traffic triangles at either end of Kalaheo Avenue, one at **Pali Palms**, and the other at **Kalapawai**, and has been paying for the on-going professional maintenance of those plantings. In **2020**, we refurbished the landscaping at Pali Palms Triangle. Note that LKOC volunteers planted the iconic Kalapawai Triangle banyan in **1954**.

**2020** ~ LKOC spearheaded a C&C street tree replanting project on **Onewa Street**, from Kuulei Road to Kawainui Street, where 8 Silver Trumpet and White Tecoma trees were planted to replace failing Pink Tecomas that had also been planted by LKOC in **2000**.

### LOOKING BACK...HOW OUR STREETS AND PARKS HAVE BEEN ENHANCED

Kailua Road Median  
Trees Planted 1949

**1949** ~ LKOC planted dozens of Tecoma trees on the **Kailua Road** median entering central Kailua. In **1950**, a major roadway upgrade replaced these with Kamani trees. Since **2000**, LKOC has funded the landscape maintenance of the median down to Kuulei Road.
